

MSL - small Pharma

[Apply Now](#)

Company: Cpl Life Sciences

Location: Manchester Area

Category: other-general

MSL - small Pharma Location: midlands/north of England Salary: Competitive Benefits: Car allowance, bonus, shares, pension, healthcare Reference: JO-2404-532820 An exciting small Pharma business are seeking an experienced MSL to come on board and join their mission in ground breaking science. This business is a few years into their story in the UK and as an MSL you will be able to help establish their presence in the UK market and will identify/develop relationships with regional and national key opinion leaders. A few years MSL experience is a must, and most importantly this role requires someone who has excellent collaboration skills, is a team player and shows the resilience to thrive in a small Pharma company. You will experience the benefits of small Pharma, working in a very autonomous environment and being exposed to responsibilities you might not get in your larger businesses. This is a great role for an experienced MSL who is looking to expand their skillset, grow their responsibilities and lead by example in the wider MSL team.

Requirements: • MSL experience - this is essential • Experience within any of the following will be desirable: diabetes, cardiovascular, cardio-metabolics or cardio-renal Responsibilities will include: • Prepare and deliver medical and scientific presentations. • Utilising scientific expertise to gather medical insights and to support research/data generation initiatives. • Engaging with guideline development and revision through scientific exchange and support. • Developing and managing KOLs including KOL identification, engagement and support. Please apply in order to receive the full job description. Remuneration: The successful candidate would receive a competitive annual salary package plus an excellent benefits package including the likes of a car allowance, bonus, private healthcare, pension

scheme and much more. The Medical Division at Cpl Life Sciences (previously Only Medics/Clinical Professionals) is a specialist division that focuses exclusively on recruitment of Medical Affairs, Clinical Development & Pharmacovigilance for pharmaceutical companies, biotechnology companies, Clinical Research Organisations (CROs) and Regulatory Authorities.
