Careermakers are currently supporting a well established construction and facilities services company based in the West Cheshire area. They service a longstanding client base across Cheshire, Wirral and North Wales.

We are looking for a Multi Skilled Installer from either a Joinery or Plumbing background to start on a permanent basis.

You will be given a company van to cover all reactive and planned maintenance requirements, as well as planned building works across the various areas of work.

Main duties:

- * Responding to reactive maintenance requirements
- * Fitting kitchens
- * Plumbing works
- * Bathroom installation
- * Tiling

Applicants must have:

* JIB or CSCS card (blue or gold)

* Own tools

* Full UK driving license

Benefits:

* Company Van

* Company Uniform

* 24 days annual leave plus bank holidays

The ideal candidate will be based in the West Cheshire area: Runcorn, Frodsham, Chester and surrounding areas.

To apply please send your CV or call the construction team for more information.
