Company: Daniel Owen Ltd

Location: Bracknell

Category: other-general

### About us:

Daniel Owen is an established recruitment consultancy specialising in the placement of quality temporary and permanent workers to all roles in the Built Environment. Working with some of the UK's largest and most respected construction, maintenance and engineering companies.

### Responsibilities:

When working as a Multi trade you will be required to undertake maintenance and light repairs.

Therefore, you will need to be confident when using hand tools.

It is key that you are able to carry out assessments and identify problems as well as action any client maintenance requests in a timely and professional manner.

This role will require you to have experience in kitchen and bathroom fitting.

### The Role

We value that health and safety on site is followed therefore you will need to be cautious of

others working with you.

We expect you to be punctual and arrive to on time.

You will get an opportunity to work in a friendly environment and be part of a team.
