

Mutli-Skilled Operative

[Apply Now](#)

Company: E3 Recruitment

Location: Milton Keynes

Category: other-general

We have a fantastic opportunity for a Multi Skilled Operative working with a leading UK manufacturer with a large network of sites across the country.

Within this Multi-Skilled Operative position, you will be responsible for supporting the Plant Manager with the running of a brand-new facility supporting all aspects of the production environment, ensuring H&S is prioritized whilst ensuring the production needs of our customers are met.

This is an amazing chance to work for an industry leading organisation that can offer the right candidate a direct career path with unraveled continuous development and training.

What's in it for you:

A salary of up to £33, per annum dependent on experience

Hours of Work: Monday to Friday (Alternate Saturday (days) – 48 hours per week

plus 30 days Annual Leave

Duration: Permanent Contract

Location: Milton Keynes (Close to the Centre).

Key Multi Skilled Operative responsibilities:

Operating a range of machines as part of a multi-skilled team and performing day-to-day operations to support with the running of a production facility

Operation of the loading shovel

Operation of Coating Plant – producing asphalt in accordance with technical quality standards

Weighbridge – Day to Day Operations

General maintenance and housekeeping tasks around the site

Complying with all Company Health, Safety & Environmental systems, and reporting procedures.

Essential Qualifications and Experience for Multi Skilled Operative:

Will preferably have experience of working as a Multi Skilled Operative in a similar coating or production environment e.g., Building Materials, Concrete, aggregates, Asphalt etc.

Experience of operating a loading shovel and a weighbridge

A good understanding of industry Health, Safety and Environmental standards

Ability to work within a busy team environment

Fitting Skills / Mechanical experience would be an advantage

Must be flexible with regards to working hours, reliable, and enthusiastic

NVQ Wheeled Loader licence an advantage – though full training package would be given to the successful applicant.

In return, you will be offered a truly varied role within a dynamic and a fast-paced business where opportunities to develop your skill sets and progress your career.
