Company: Graduate Recruitment Bureau

Location: United Kingdom

Category: other-general

### **Become a NXTGEN Student Ambassador**

Myprotein NXTGEN ambassadors earn extra cash while they study and add valuable skills to their CV, all while working with a global leader in sports nutrition. This could be you.

We're looking for the NXTGEN of fitness enthusiasts to be the face of Myprotein on campus.

Our student ambassadors will play a vital role in fuelling the ambition of fellow students by introducing them to Europe's number one online sports nutrition brand.

### **Perks of representing Myprotein**

Uncapped commission on sales made using your code.

Tiered bonuses including monthly vouchers and prizes.

Exclusive discounts only available to our NXTGEN ambassadors.

You'll build your own profile with access to a wide and growing network, including top Myprotein influencers.

Attend Myprotein events, and earn invaluable experience which could lead to a career with Myprotein after graduation.

### **Who We're Looking For**

Full-time students in the UK, preferably studying marketing.

People who are passionate about sport, fitness, healthy living and nutrition.

Creative thinkers who live and breathe social media, with a good knowledge of influencer

marketing.

And of course, existing knowledge and love for all things Myprotein.

### **What You'll Be Doing**

As a NXTGEN ambassador you'll be a voice of the brand, representing Myprotein and educating others in sports nutrition on your campus.

You'll drive new customers by helping us reach new audiences, and also engaging existing customers.

Flex your creative muscles, assisting with promotion by posting about Myprotein on your social channels, and working with the student ambassador team to craft innovative and engaging posts.
