The Business Case Assurance Manager role operates as part of the Integrated Programme Management Office, this role sits within the Navy Command business area, leading the Business Case and Approvals function as well as continuous assurance and engagement with scrutiny and approvals community. It will support the assurance, development and approval of business cases. 🔒

This position is advertised at 37 hours per week.

Job description

Leadership 🔒

Manage and provide leadership support for team members to support delivery of outputs. 🔒

Ensure performance is managed consistently and fairly, including Diversity and Inclusion principles and provide regular feedback. 🔒

Identify and develop capability needs, ensuring robust Development Plans are in place for yourself and your team. 🔒

Ensure own and team 🔒s compliance with mandatory requirements.

Inspire, motivate, and engage with the Integrated Programme Management Team and with other teams across the HMNB Clyde establishment community, by providing positive working environment and empowering the teams at all levels.

Provide support to Line Manager and Programme Director to deliver departmental outputs with

minimal supervision.◆

Responsible for Lead on Business Case activity ensuring its delivery and alignment to organisation◆s standards, processes and objectives

Lead on Business Case planning and oversight maintaining a forward programme of cases.

Maintain the Business Case Tracker, monitor and report on all forecast business case submissions for internal and external senior stakeholders.◆

Delivery of support and training to staff to build knowledge, capability and skills in business case writing.◆ Provide support to Business Case Advisors, Requirements Managers, and project/programme teams on investment case development and approvals.◆

Provide advice on business case management and approval process including timings, submission and approvals process, content, structure, scrutiny requirements, evidence, supporting documentation and any other necessary detail.◆◆

Review draft business cases, managing their development and release for endorsement or approval.

Support the Business Case Advisor Project Manager to develop the Scrutiny Report and coordinate internal scrutiny of draft internal business cases through planned progressive assurance reviews, such as the Clyde infrastructure assurance review (CIAR) and project assurance groups (PAG), using Subject Matter Experts ahead of formal sign off.

Ensure the quality of all business cases submitted for internal and external scrutiny and approval, liaising with the Approvals Authority and monitoring progress through scrutiny. Coordinate and provide regular liaison with desk level, the wider scrutiny and stakeholder community and Project/Programme teams to improve the quality and standard of business cases and achieve a high success rate for business case approvals.

Maintain and develop Business Case guidance documentation.◆

Produce a quarterly Learning from Experience report and monthly fact sheet on business cases. Ensure that business case learning from experience is incorporated back into business cases development.

Share learning, knowledge and experience with the stakeholder community and delivery

teams, uphold learning from experience and communicate through planned assurance forums.

Stakeholder Engagement ◆

Work as the point of contact for all Business Case and Approvals in the Clyde Integrated Programme Management Office delivering major projects within HMNB Clyde, actively working with Senior Stakeholders to align changes with strategic developments to ensure consistence across business cases. ◆

Act as the senior point of contact for business case and approval escalations throughout the project approvals process. Providing support to the business case advisor, working to develop mitigation measures and resolutions to approval challenges.

Ensure the Business Case and Approval policy and guidance is current, regularly reviewed and updated and business compliant. Provide strategic advice and guidance to the customer, project and programme teams developing business case submissions, ensuring quality assurance throughout the process. ◆

Person specification

Essential Experience

Working as a member of a large or medium complexity project team or as a specialist or work stream lead for a small, low complexity project.

Leading a virtual ◆team◆ assigned to work from across functional, organisational or geographic boundaries to deliver high quality outputs.

Experience in preparation, approval, refining and update of business cases that justify initiation, investment and/or continuation of change initiatives or projects in terms of benefits, costs and risks.

Desirable Experience

Experience of working in or knowledge of the defence or security sector ◆ either through government or industry

Demonstrable commitment to learning and using established project management methodologies to enable successful delivery

Qualifications

Relevant qualification in one of the below or equivalent;

◆ ◆ ◆ APM Chartered Project Professional

◆ ◆ ◆ PRINCE 2 Practitioner

◆ ◆ ◆ Managing Successful Programmes Practitioner

Learning and development tailored to your role

An environment with flexible working options

A culture encouraging inclusion and diversity

A with an average employer contribution of 27%

Where business needs allow, some roles may be suitable for a combination of office and home-based working. This is a non-contractual arrangement where all office-based employees will be expected to spend a minimum of 60% of their working time in office, subject to capacity and any required workplace adjustments. Requirements to attend other locations for official business, or work in another MOD office, will also count towards this level of attendance. Applicants can request further information regarding how this may work in their team from the Vacancy Holder (see advert for contact details). Defence Business Services cannot respond to any questions about working arrangements.

The post does not offer relocation expenses.

External recruits who join the MOD who are new to the Civil Service will be subject to a six-month probation period.

Please Note: Expenses incurred for travel to interviews will not be reimbursed.

Please be advised that the Department is conducting a review of all pay related allowances which could impact on those allowances that the post currently being advertised attracts.

The Ministry of Defence is committed to providing a safe and healthy working environment for its staff which includes educating them on the benefits of not smoking, protecting them from the harmful effects of second-hand smoke and supporting those who want to give up smoking. Under the Smoke-Free Working Environment policy, Smoking and the use of all tobacco products (including combustible and chewing tobacco products) will not be permitted anywhere in the Defence working environment however some exemptions are in place, please refer to local guidance. The policy is Whole Force and includes all Defence personnel, contractors, visitors and other non-MOD personnel. All applicants seeking, considering, or accepting employment with the Ministry of Defence should be aware of this policy and that it is already in place at a number of Defence Establishments.

MOD Recruitment Satisfaction Survey  we may contact you regarding your experience to help us improve our customer satisfaction. The survey is voluntary and anonymous. You may however be given the opportunity to provide additional information to help us improve our service which includes the collection of some personal data as defined by the United Kingdom General Data Protection Regulation (UK GDPR). The MOD Privacy Notice sets out how we will use your personal data and your rights.
