

Network Engineer - GPON / Juniper (Remote Working)

[Apply Now](#)

Company: iO Associates

Location: United Kingdom

Category: computer-and-mathematical

Network Engineer wanted by one of the UK's innovative Next Generation Security Businesses. A business which has grown from 12 to 75 heads within 3 years, as well as generating over £50 million revenue during the same timeframe!

Location - Home Working.

Base Salary - £45,000.

As a Network Engineer, you'll be critical to customer support processes, providing first line and second line support to clients and resolving complex network/systems faults, in addition to implementing customer service requests on a range of networking technologies, including **WAN, PON, DWDM, Carrier Ethernet, Firewalls.**

Additional requirements include:

Experience of IP, OSPF, BGP and MPLS.

Experience of working on GPON & XGSPON access networks.

Good knowledge of and hands-on experience of working with Carrier Ethernet MEF2.0 & MEF3.0 concepts such as Eline, ELAN, etc.

Good understanding and hands-on experience of working with optical CWDM and DWDM technologies.

Good understanding and hands-on experience of working with optical splitter/combiner filters.

Basic understanding of OTN technology would be an advantage, as would hands-on experience of building and maintaining Dell servers.

Experience working with ITIL methodology and meeting SLAs.

Job specifics:

Hours are based on 12-hour shifts: 2 days, 2 nights, 4 days off. Repeat cycle.

Required at HQ once every 3-4 months. Travel and accommodation will be paid.

Brand new offices, offering:

Free Parking.

Pub/Bar Onsite - Food & Drinks and Pool Table.

Gym & Spin Classroom.

Yoga & Relaxation Room.

Company Benefits:

Summer BBQ & Christmas Party.

Excellence & Incentive Clubs - Las Vegas & European Tours.

23 Days Holiday - Up to 25 days for every year worked + bank holidays.

Pension - 5% Employer & 3% Employee.

Vitality Healthcare (Can add family).

4x Death in Service / 1 Day Volunteering.

This is a fantastic opportunity for any Network Engineer or Security Engineer to join a rapidly expanding business, with excellent technology offerings, training & development and fast-track career progression. Simply apply or send your most recent CV to Stuart Lewis or Imogen Linham at iO Associates.
