

Network Services Administrator

[Apply Now](#)

Company: Omega Resource Group

Location: Stevenage

Category: computer-and-mathematical

Job Title: Network Service Administrator

Location: Stevenage

Pay Range/details: Up to circa £50,000

Contract Type: Permanent

Looking for a rewarding career where you can contribute to safeguarding our nations' freedoms? Our client, a premier defence organisation, is seeking a skilled Network Service Administrator to join our dynamic Information Management Network Team.

As a Network Administrator, you'll report directly to the Network Service Specialist, providing centralised administration for network operations, security, and DevOps.

We welcome applicants seeking flexible working arrangements and provide support throughout the recruitment process.

Key Responsibilities – Network Service Administrator

Manage incident and request queues, directing tasks appropriately.

Handle certificate management, ensuring timely renewal.

Maintain asset records to avoid expiration issues.

Monitor firmware patching compliance.

Administer the Egress OS File transfer solution.

Qualifications & Requirements – Network Service Administrator

Security Clearance to SC level (BPSS to start)

Ability to travel within the UK and Europe if required.

ITIL experience

Positive attitude, capable of working under pressure.

Excellent organisational skills

Team player with motivation to inspire others.

Proficiency in ITSM tools and service reporting

Defence or public sector experience.

What we can offer – Network Service Administrator

Company bonus of up to £2,500

Combined pension contributions of up to 14%

Paid overtime up to level 4.

Enjoy a supportive work environment with the option to purchase up to 15 flexi leave days.

Fantastic on-site facilities including subsidised meals and free parking.

Embrace our dynamic working policy, offering flexibility in hours and location while contributing to crucial defence projects.

Enjoy opportunities for career growth and development in a supportive environment.

Ready to join a team dedicated to defending our freedoms? Apply now and follow us on LinkedIn!
