

## Nights Supervisor

[Apply Now](#)

Company: Isla Rose Consulting Ltd

Location: Ford Green

Category: other-general

We are currently searching for an experienced nights supervisor to join an established business in Stoke. The company specialises in waste management with multiple sites around the Midlands and Staffordshire.

The role will be varied and hands on. As a nights supervisor you will be responsible for 3 colleagues working together to unload incoming consignments, once inspected you will direct consignments to be sent for storage, segregation or processing. As a supervisor you will be the liaison between site, specialist teams and senior management. The role will have a range of reporting tasks and company procedures to follow to ensure site compliance.

We are looking to speak with candidates who are experienced team leaders, ideally with some waste experience or knowledge. Candidates from the transport industry will have transferable skill sets. The role requires an FLT C/B licence and ideally applicants will have HSE knowledge and team management training.

### Key Duties

\* Managing a small team

\* FLT C/B driving

- \* KPI reporting
- \* Monitoring hazardous waste consignments
- \* Liaising with Chemistry teams and management
- \* Ensuring all waste is appropriately stored
- \* Completing of compliance paper work

The working week is on nights, Sunday to Thursday 9.30pm – 5.30am 40 hours per week.

The salary for this role is £34k including night shift premiums.
