B6 MSK Outpatient Physiotherapist

37 hours

Banff

Permanent

An exciting opportunity has arisen for a B6 Physiotherapist to join the existing team within the MSK outpatient service in Banff in Aberdeenshire.

The position will be based within Chalmers Hospital site, and will be supported by our friendly and approachable team of B7 Highly Specialist and B8 Advanced Practice MSK Physios.

The department has close links with the local Medical Practices and FCP services along with local leisure centres. MSK Outpatients are co-located with the community and inpatient Physiotherapy services, which allows for good working relationships.

The post holder will also have the opportunity to experience a varied MSK caseload. They will be responsible for both individual and group treatment sessions. Working within the team, they will also have supervisory and educational responsibilities for Rotational B5's, HCSW and students.

The North Shire MSK Physio team is an extremely dynamic and inclusive group to work within and offers a fantastic setting for you to develop your skills in a safe and supportive environment. We pride ourselves on our approachability, clinical excellence, supportive practice and work life balance. We maintain an active CPD program, as well as regular in person localities and social activities. We look forward to your application and welcoming

passionate MSK physios into our team.
