Company: Nursery People

Location: Saint Albans

Category: other-general

In the heart of St Albans and close to the mainline train station we have a fantastic setting on the look out for a Level 2 qualified Nursery Assistant.

Each floor is beautifully decorated with interesting resources allowing for an exciting, colourful space for children to explore, grow and learn. The nursery itself has been purposefully designed and specially equipped to provide a light and airy space for the children to learn and grow in a safe a secure environment. All of the care is specially tailored to each age group, offering the best and age appropriate facilities to each cohort.

As a Level 2 Nursery Assistant you will support your room team in providing a nurturing and supportive environment for young children to learn and grow, while also maintaining their health and safety. This role requires a combination of caregiving skills, creativity, and effective communication with both children and parents.

In return you'll receive a competitive salary and benefits package including company pension, outstanding training including a personal development plan and support for higher level qualifications, opportunities to progress, employee events throughout the year, first aid training, 25 days holidays (rising with service), free uniform and more.

### **Responsibilities:**

The Nursery Assistant ensures the safety and well-being of the children at all times.

Plan and organize activities to stimulate children's physical, emotional, and cognitive development through playtime, games, and creative activities

Assist with basic care routines, including feeding, changing, and maintaining a clean and safe environment

Maintain positive communication with parents or guardians, sharing information about a child's day and progress

Participate in ongoing professional development and training to stay informed about best practices in childcare and early childhood education

### **Knowledge, Skills and Abilities:**

Hold a government recognised childcare qualification at Level 2

Have previous experience of working with children in a nursery setting or environment

Work collaboratively with other nursery staff, following the guidance of senior staff or room leaders to ensure consistency in care and activities

A desire to be an active member of the team, challenging yourself and the children on a daily basis

All successful applicants will be subject to an enhanced DBS disclosure
