

Nursing Associate

Apply Now

Company: The Rotherham NHS Foundation Trust

Location: Rotherham

Category: other-general

Job summary

hours per week

The Medical Division at the Rotherham NHS Foundation Trust are looking for experienced nurse associates who have a passion for the care of the older person.

Due to a recent ward reconfiguration we have an exciting opportunity to join the newly formed nursing team on Ward B5. Ward B5 is a medical ward providing care to all ages but particularly older people.

We are an innovative, supportive, hardworking, friendly team providing high standards of quality care. B5 is a 24 bedded inpatient ward (upto 33 beds during winter pressures) this is a great opportunity to join our new team. As a new member of the team you will be fully supported by the Matron, ward manager and deputy ward managers. If you require any additional information please feel free to contact us on 01709 428049 or 425365 and ask to speak to Ward Manager Kerry Smith or Deputy Ward Manager Heather Bower.

We are holding a recruitment event on 24th April 12-4pm and 1st May 9-2pm, we will offer interviews at the event as well as an opportunity to visit the unit and meet the managers and staff. If you wish to attend one of these events please book via Eventbrite.

Please click on the additional documents for the link.

Please note= On the day please bring your passport, driving licence, copy of national insurance number, proof of address document/s bank statement, mortgage statement or council tax statement and any nursing qualification certificates.

Main duties of the job

Deliver high quality, compassionate care under the direction of a Registered Nurse (or other registered care professional dependent on setting) with a focus on promoting health and independence

Have proficient attitudes and behaviours compatible with NHS Values

Be an accountable professional

Work as part of a designated clinical and care team delivering care that focuses on the direct needs of the individual

Carry out specific delegated clinical and care tasks and responsibilities to a high standard and competency, under the direction of a registered nurse or other registered care professionals dependent on setting

Have the ability to work without direct supervision, at times delivering care independently in line with the individuals defined plan of care, within the parameters of practice of the Nursing Associate role, accessing clinical and care advice when needed.

About us

The RotherhamNHS Foundation Trust (TRFT) is a combined acute and community Trust serving our local population of around 270,000 people. Our vision is to always act the right way and be proud to provide exceptional healthcare to the communities of Rotherham.

As a Trust we are on a journey to excellence and our people and culture are at the heart of everything we do for patients. In the latest NHS Staff Survey, we are the second most improved Trust in England for would you recommend the Trust as a place to work?, and were one of the most improved for staff engagement overall.

But don't just take our word for it each year hundreds of colleagues receive nominations for our Excellence and Proud awards, showcasing our brilliant people and recognising their achievements. Our people make a difference to the lives of patients every day and we are proud of the improvements we are making.

All of our 5,100 colleagues are key to our improvement journey, and we are continuing to improve our services by upholding the Trust's values of Ambitious, Caring and Together. If you are passionate about making a difference, then please apply to join us on our journey to excellence.
