Company: The Owl Centre

Location: United Kingdom

Category: healthcare-practitioners-and-technical

Join our wonderful community of freelance and employed Occupational Therapists and help us to meet the needs of our clients!

Your earnings will vary depending on the type of work you complete. However, the majority of our existing Occupational Therapists earn £40 - £45 per hour of therapy delivered

A successful candidate would have:

- An accredited Occupational Therapy degree
- HCPC registration
- At least 1 years' experience as a fully qualified Occupational Therapist
- Ideally a minimum of 1-2 full days available to work each week
- Ability to travel for appointments in any of the following areas: Berkshire, Derbyshire, Gloucestershire, Greater London, Hertfordshire, or Oxfordshire.

Though our preference is for therapists who can deliver face-to-face sessions in these areas, we can also offer work to those looking for remote or hybrid working arrangements!

A day in the life might include:

• [REDACTED] ent location (or joining a MS Teams meeting) to deliver assessment and/or therapy services to clients.

- During assessments, identifying the specific areas of difficulty through

observation and testing, gaining a strong understanding of the impact these difficulties are having on the individual.

- Using insights gathered during assessments to plan and develop appropriate therapeutic intervention in collaboration with other healthcare professionals.
- Liaising with clients, families, third parties and The Owl Centre team regarding any findings and progress made with each client.
- Ensuring case notes and reports are written and uploaded in a timely manner to the relevant system(s).
