

## OHL Design Engineer

[Apply Now](#)

Company: Balfour Beatty

Location: United Kingdom

Category: other-general

### About the role

Balfour Beatty has an exciting new opportunity for a OHL Design Engineer to join the Power T&D Design and Engineering Team

Role Purpose:

Perform the design delivery Overhead Line Projects up to 400kV, from tendering to project handover.

Deliver projects in compliance with industry standards, customer requirements and Balfour Beatty governance

### What you'll be doing

Act as the Design Engineer as appointed by the Design Delivery Manager and the projects Lead Designer.

Produces the projects OHL deliverables in coordination with the relevant resources.

Produces designs in compliance with all relevant standards, legislation, Customer requirements and contract specifications throughout the project lifecycle.

Assists with the review of tender and contract documentation to establish the OHL scope of works.

Apply best practices and lessons learned on all tenders and designs.

Ensure all required designs, models and drawings have an adequate level of review, checking and

approval, including suppliers and subcontractors, according to Quality Assurance processes and in line with Right First Time.

Collaborate with designers from other disciplines under coordination of each projects OHL Lead Designer and Engineering Manager.

Practice Safety and Sustainability by Design on all projects, ensuring compliance with the latest CDM Regulations.

Assists the preparation of the priced Schedule of Deliverables for the OHL scope of tenders, together with the associated Risk Register and list of Assumptions.

Supports and works on the resolution of design challenges.

Delivers the allocated scope of works to programme, budget and quality.

Interfaces with other stakeholders as required for project delivery.

Works to Document Management procedures at all times.

Supports improvement works within the team and projects.

Supports the training, mentoring and coaching of more junior colleagues and supervises their work.

Displays the Balfour Beatty behaviours of Talk Positively, Collaborate Relentlessly, Encourage Constantly, Make a Difference and Value everyone.

Embed the Balfour Beatty Values in their daily work - Lean, Expert, Trusted, Safe, Sustainable.
