

## On-site Calibration Engineer - Electrical / Electronic

[Apply Now](#)

Company: Versorecruitment

Location: United Kingdom

Category: architecture-and-engineering

**Job Title:**On-site Calibration Engineer - Electrical / Electronic

**Location:**North England

**Salary:**£40,000 - £45,000

Verso Recruitment is seeking a Calibration Engineer with expertise in electronics and electrical systems. This role involves traveling to various sites in Northern England, Yorkshire, South Scotland, and occasionally abroad, offering calibration services for a range of equipment. Ideal candidates will have a central location within this territory and possess the following qualifications and skills:

### **On-site Calibration Engineer – Electrical / Electronic** (Job details)

Travel to different sites to calibrate equipment.

Communicate effectively with customers to understand their needs and provide excellent service.

Collaborate with the office team to ensure smooth operations.

Maintain accurate records of calibration procedures and results.

Contribute ideas for process improvement.

Keep workspace clean and organised.

## **On-site Calibration Engineer – Electrical / Electronic (About you)**

Hold an HNC/HND in Electrical or Electronics engineering, or demonstrate equivalent experience.

Background in calibration or strong electrical knowledge with prior fieldwork experience.

Exceptional interpersonal skills.

Detail-oriented with a proactive approach to tasks.

Familiarity with quality standards.

Ability to work independently or as part of a team.

If this sounds like the exciting opportunity you've been searching for, apply now or reach out to Daniel Saddi at Verso Recruitment via email at [dsaddi@versorecruitment.com](mailto:dsaddi@versorecruitment.com) or by phone at 01582 350 051.
