

Operating Department Practitioner- Weekend Shifts

[Apply Now](#)

Company: Medicare Insourcing Services Limited

Location: United Kingdom

Category: healthcare-practitioners-and-technical

Job summary

Are you an experienced ODP looking to pick up extra shifts during the weekend? Medicare are currently looking for ODPs to work weekend shifts for our clients across North West England We offer Flexible Contracts that allow our candidates to choose their preferred working days, hours and locality which allows them to work around their schedule. You would be working as a part of team of Medicare clinicians completing day surgery procedures. Multiple positions available!

Main duties of the job

The post holder will be responsible for the daily management and delivery of safe, individual patient care, within a professional multi-disciplinary team. The post holder will be flexible, multi skilled and continue to gain further knowledge and skills in order to practice competently in elective and acute surgery.

We are looking for someone who is highly motivated, professional and works well individually and within a team.

About us

Medicare have been providing support to NHS clinical services since 2016. We work with over 40 NHS trusts across the the UK.

Medicare's services have been designed to assist with the reduction of backlogs and to improve patient outcomes. Our clinicians work on-site and quickly integrate with local staff to ensure that services are delivered effectively and that targets are met on time.

Patient safety and customer satisfaction are of the utmost importance to us, hence our

strong clinical governance standards.
