Company: Healy Hunt

Location: London Area

Category: other-general

We're working with a leading Investment Manager (c. £4bn AUM) who require an Operational Risk Specialist to cover Risk Control Self Assessment (RCSA) delivery across a 6 month contract. The role is looking to pay £400-£500 a day, inside IR-35. This role is urgent - so candidates must be immediately available, or have maximum one month notice periods. Candidates are also required to have delivered Operational Risk RCSAs within the Investment Management/Trust/Fund or Banking space.
