

## Operations Manager

[Apply Now](#)

Company: Clive Henry Group

Location: United Kingdom

Category: other-general

We are looking for an experienced Operations Manager to oversee our day-to-day operations and ensure smooth functioning across all departments. The ideal candidate will have a strong background in operations management, excellent leadership skills, and a proven track record of implementing strategies to improve efficiency and productivity. Responsibilities:

Collaborate with senior management to develop and implement operational strategies aligned with company goals and objectives. Identify areas for process improvement and implement measures to streamline operations, reduce costs, and enhance efficiency. Lead and motivate a diverse team of department managers and staff to achieve operational excellence and meet performance targets. Manage resources effectively to ensure optimal utilization and allocation of personnel, equipment, and materials. Implement quality control measures to maintain high standards of product/service delivery and customer satisfaction. Identify and mitigate operational risks to minimize disruptions and ensure business continuity. Establish key performance indicators (KPIs) and metrics to monitor performance across departments and drive continuous improvement. Develop and manage departmental budgets, ensuring adherence to financial targets and cost control measures. Desirable skills:
