AMETEK, Inc. is a leading global manufacturer of electronic instruments and electromechanical devices with annual sales of approximately \$5 billion and is publicly traded on the New York Stock Exchange (NYSE: AME) and a component of the S&P 500. At AMETEK, we are committed to a corporate culture that values diversity and fosters a work environment that enables colleagues to develop meaningful and rewarding careers. We consider ourselves responsible corporate citizens and are committed to operating our facilities in an environmentally responsible manner. We also are sensitive to the needs of our communities, and, as a company, support programs that help those communities meet their health, education and social needs. AMETEK MRO, a unit of AMETEK Aerospace & Defense, is a global provider of third-party MRO services to commercial, regional and general aviation customers as well as military, helicopter and business jet markets. AEM Limited has been Europe's leading independent overhaul and repair facility for more than 60 years. The company has a solid reputation in the aerospace industry for providing a broad range of services to international and regional airlines, helicopter operators and airframe manufacturers. Conducting business from three sites in the United Kingdom, AEM offers specialist services for in excess of 5,000 components over a variety of aircraft systems with capabilities covering aircraft windings, electrical power, hydraulic components, landing gear and safety equipment. In 2007 AEM Limited was acquired by AMETEK Inc, a global manufacturer of electronic instruments and electromechanical devices as a unit within AMETEK MRO's Aerospace and Defense Division, a recognized global provider of third-party MRO services to commercial, regional and general aviation customers as well as military,

helicopter and business jet markets. Roles & Responsibilities Day-to-day team management of the operations office, NDT and Paint sections.
