

Operator, Commodities Trading

[Apply Now](#)

Company: Macquarie Group

Location: London

Category: other-general

This is an exciting opportunity within Macquarie's Commodity Market and Finance desk, where you will be managing the daily movements around inventory financing transactions, including running profit and loss reporting and exposure. At Macquarie, we are working to create lasting value for our communities, our clients and our people. We are a global financial services group operating in 34 markets and with 54 years of unbroken profitability. You'll be part of a supportive team where everyone - no matter what role - contributes ideas and drive outcomes. What role will you play? You will be working in a critical role managing physical metal movements and inventory throughout EMEA and more globally, working with the business to identify and mitigate issues before they become an issue. You will also be working closely with clients to manage their business flow, while coordinating the transportation, storage and delivery of metals traded in/out of warehouses. Lastly, you will be ensuring compliance within London Metal Exchange regulations, including documenting requirements, metal handling procedure and reporting, as well as performing control assessments on third party logistics provided. What you offer Strong organisational skills, attention to detail and proven experience in logistics operations. Knowledge and understanding of commercial deal terms, title transfer documents and Delivery Terms Strong organisational and multitasking skills, with the ability to prioritise and meet deadlines Aptitude for building relationships both inside and outside of the firm and ability to communicate effectively with a wide array of people with varying product knowledge Be aware of VAT/REACH (Registering, Evaluation, Authorisation and Restriction of Chemicals) regulations within the EMEA region We love hearing from anyone inspired to build a better

future with us, if you're excited about the role or working at Macquarie we encourage you to apply. Benefits Macquarie employees can access a wide range of benefits which, depending on eligibility criteria and location, include: Hybrid and flexible working arrangements One wellbeing leave day per year and minimum 25 days of annual leave. Primary carers are eligible for minimum 20 weeks paid leave and minimum 6 weeks for secondary carer Paid volunteer leave and donation matching Range of benefits to support your physical, psychological and financial wellbeing Employee Assistance Program Recognition and service awards

About Commodities and Global Markets

In Commodities and Global Markets you will be part of a global business offering capital and financing, risk management, market access, physical execution and logistics solutions to its diverse client base. Our commitment to Diversity, Equity and Inclusion We are committed to providing a working environment that embraces diversity, equity and inclusion. As an inclusive employer, Macquarie does not discriminate on the grounds of age, disability, sex, sexual orientation, gender identity or expression, marriage, civil partnership, pregnancy, maternity, race (including color and ethnic or national origins), religion or belief.
