About the Role

At Ferrier & MacKinnon Optometrists, we've always been proud to deliver an exceptional professional service to our patients.

For over 25 years, our family-run firm has given trusted advice and great value to our patients in Kinross, Lochee, Burntisland, Dunfermline, Cowdenbeath, Newport-on-Tay and Inverkeithing.

We're looking for a full-time or part time Optometrist to be based in our Dunfermline and Kinross practice.

You'll be an integral part of our team here and will help us drive our service offering forward, always looking for opportunities to improve and innovate.

We're also looking for someone who shares our dedication to putting patients first and spending the time needed to get to the bottom of their visual needs.

Just as important to us is the way you interact with patients. Providing a friendly, informative, and empathetic service is a must.

Ultimately, you must be an ambassador for our brand and profession within the local community.

Educating others about the benefits of eye care is an ongoing challenge and one that we look forward to meeting head-on with you as a part of our team.
