Company: Doncaster - Tesco

Location: United Kingdom

Category: healthcare-practitioners-and-technical

Are you passionate about creating joy for your customers? We are looking for a registered optometrist to join our in-store team that can help us to create joy in vision for our customers, through an expert and trusted eyecare experience.

What can you expect from the role?

At Vision Express we win together, so all our colleagues have a role to play in making our customers feel special. You will spend most of your day getting to know your customers, delivering a personalised and trusted eye test experience, helping them get the right eyecare solutions for their needs.

It is up to you to bring our brand to life in every customer interaction you have. However, you will see more than just the examination room. You will be involved in shaping our success, through working closely with your store manager to build a high achieving team that delivers an experience that creates joy in vision.

You can expect a busy environment where everyone is working towards the same goal and where our culture and values are at the heart of everything we do.

About you

For this role, you will need to be a GOC/CORU registered optometrist with a passion for providing a unique customer experience.
