Company: Graduate Recruitment Bureau

Location: United Kingdom

Category: business-and-financial-operations

Do you thrive at the intersection of finance and technology? Are you passionate about guiding businesses towards a streamlined future with cutting-edge solutions?

If so, this Oracle Cloud financial consultant role is made for you. Our client is seeking a driven and experienced professional to spearhead complex client engagements, empowering them to unlock the transformative power of the Oracle Cloud.

Here's why you'll love this opportunity:

Make a real impact: Be part of mid to large-scale Oracle Cloud financials implementations, directly shaping the financial future of diverse organisations.

Be at the forefront of innovation: Leverage your expertise in industry best practices and Oracle Cloud modules to deliver state-of-the-art solutions.

Collaborate with the best: Join a high-performing team, recognised for its innovative spirit and commitment to client success.

Shape your own path: Drive the growth of the consulting practice, contributing your ideas and expertise to shape the future.

Continuous learning: Expand your knowledge through ongoing training and development opportunities in the ever-evolving world of cloud technology.

You're a perfect fit if you have:

5+ years of experience as an Oracle functional consultant: With a proven track record of successfully implementing and supporting Oracle Cloud projects.

Deep expertise in Oracle Cloud financials: Including modules like general ledger, accounts receivables/payables, fixed assets, and more.

Sharp business acumen: You can translate client needs into actionable solutions, driving process improvements and efficiencies.

Communication mastery: You connect effectively with clients, stakeholders, and team members at all levels.

A passion for continuous learning: You're eager to stay ahead of the curve in the dynamic cloud landscape.
