

## Outpatient Physiotherapist

[Apply Now](#)

Company: Evolve Selection

Location: Impington

Category: other-general

Evolve is recruiting for a full time Outpatient Physiotherapist to join a dynamic and hard working team based in Cambridge, who provides a high standard of physiotherapy assessment, diagnosis, treatment and advice to patients

within the outpatient department. The organisation offers some of the most advanced treatments, providing exceptional patient centric care across a large number of successful hospitals and clinics.

Industry average salary guide for role type: £30,000 – £37,000

Package details:

- \* 35 days annual leave inclusive of bank holidays
- \* Employer and employee contributory pension with flexible retirement options
- \* Private medical insurance
- \* Life assurance
- \* Plus, more!

## Ideal Requirements for the Physiotherapist

- \* You must be a qualified physiotherapist with a valid HCPC registration
- \* Experience in managing a caseload with confidence in clinical reasoning.
- \* Be willing to take on additional responsibilities within the hospital to drive excellence and work on personal QI projects set by the clinical lead

## Role Responsibilities for the physiotherapist

- \* To provide a high standard of physiotherapy assessment, treatment, and advice to patients mainly in outpatients but there could be an expectation to cover inpatients
- \* To work as an integrated member of the physiotherapy team whilst independently managing a clinical caseload of mainly orthopaedic patients.
- \* Using clinical reasoning skills develop treatment plans that are appropriate to the patient taking into consideration their physiotherapy care, risks and wellbeing.
- \* There is an on-call requirement with this role which will depend on the needs of the business.

## Recruitment Process

2/3 stage interview process.
