A global brand & packaging agency are looking to grow their London studio with a Senior Designer. For over 30 years the studio has been working with some of the biggest FMCG blue chip brands including Colgate, Muller, Rowse, Thatcher's and Unilever. This role would suit a Midweight Designer looking for their first Senior role or a Senior with a year or so under their belt. As Senior Designer you'll be working with the client service team to ensure that the highest quality work is produced. Daily responsibilities will include: Providing input for the strategic development of projects from a brand design perspective. Taking on responsibility for the day-to-day design of projects in the studio. Creating unique and varied design responses to each brief, whilst meeting the brief and showing an eye for detail. Leading presentations on those projects in which you have been personally involved. Mentoring junior members of the design team. The team operate a hybrid working model with 3 days a week based at their Shoreditch studio. To be considered for this role you'll need extensive branding agency experience with a portfolio showing of your conceptual packaging design work (particularly within the FMCG sector) If you'd like to apply or have a confidential chat, please send a cv and portfolio to hannah.lawry@mustardjobs.co.uk or call Hannah on 02035877731 for further details.
