Packaging Intern - Jo Malone London (13-month Placement)

Description

The Estée Lauder Companies is currently recruiting for a Packaging Intern within the Jo Malone London Brand Packaging Team on a 13-month placement opportunity to join an experienced and committed team.

The Estée Lauder Companies Inc. is one of the world's leading manufacturers and marketers of quality skin care, makeup, fragrance, and hair care products. This role will be a hybrid-based position with a combination of time working from home and in the office.

Where office-based working is required, this will be situated at 13 Manchester Square

This role includes playing a part within the packaging team assisting in providing project feasibility across function, manufacturability, component cost, tooling estimates, timetable, risks, and global consistency. You'll also be tasked with developing preliminary outlines, initiating and evaluating package test results. As well as requesting preliminary costs, and compare to feasibility, and entering specifications and distributing to relevant teams.

As well as the successful candidate will have the responsibility of supporting the team in initiating artwork requests and proofreading final art. Whilst also submitting packages to Package Testing with the required samples and technical information.

Qualifications

QUALIFICATIONS Studying an Undergraduate Degree in Engineering or related subject and be on track to achieving a 2:1 standard or higher. (A Packaging-related, Design engineering degree is preferred).

QUALITIES We are looking for excellent team workers, good communicators, strong project management and organisational skills, outgoing and persuasive individuals. If this sounds like you, we want to hear from you!

Timeline & Anticipated next steps:

Applications close: 8th December 2023

Virtual Interviews: Late December/Early January 2024

2 nd Stage Interview February 2024

Offers made: March 2024

Start date: Monday 1st July 2024

Please email whitmancareers@uk.estee.com if you have any queries regarding this role.

About the Company:

With a total of \$16.22 billion total net sales, over 60k employees worldwide and our products being sold in over 150 countries, The Estée Lauder Companies Inc. is one of the world's leading manufacturers and marketers of quality skin care, makeup, fragrance and hair care products with 25 prestige brands.

As the global leader in prestige beauty, we touch over half a billion consumers a year - delighting consumers with transformative products and experiences, inspiring them to express their individual beauty. Our brands include:
