Opportunities for career progression due to ongoing business growth

Our client is an award-winning company with over 30 years of knowledge and expertise within the vehicle body repair sector. Having originated in the Midlands, the business is expanding rapidly through organic growth and acquisition throughout the UK.

Our client is dynamic in their approach and geared to completing outstanding repairs, by combining the latest techniques and most effective technology with delivering excellent customer service. They ensure that their customers are at the heart of what they do.

Whether it is minor car park damage or a road traffic accident our clients 102 repair centres provide a range of services that use modern repair methods to put your vehicle back to its pre-accident condition, ensuring they repair every vehicle with utmost pride and care.

They are now actively looking to recruit for an experienced Panel Beater /Technician based from their Sudbury site.

About the Job:

As a Panel Beater / Technician, the purpose of your role is to repair and replace body components to damaged vehicles to pre-accident condition and to BSI PAS 10125 and manufacturer's standards using specialist body repair equipment.

Working on high end vehicles, you must be able to:

Plan your workload effectively to ensure vehicles are ready to agreed timescales

Work skilfully and safely under pressure

Carry out work in accordance with manufacturers specification

Work as part of a team as well as on your own initiative with minimal supervision

Be flexible in your approach

Continually work to high standards with customer satisfaction in mind. You will ensure

That all tasks carried out follow our Health and Safety guidelines; for example, wearing all provided Personal Protective Equipment (PPE) and keeping all work areas clean

and tidy.

This is high volume repairs carried out to the BSI PAS 10125 standards
