We are currently recruiting for a Panel Beater for our client's busy ARC in the Scunthorpe area. This is a superb opportunity for a qualified Panel Beater to work in a busy and thriving workshop with superb earning potential.

Panel Beater role:

- Repairing panel damage on a variety of vehicles to a high standard.
- Recognising and documenting additional work required.
- Using a variety of different tools to complete the job to a high standard – jog work, welding, and smart repair.

Panel Beater requirements

- Ideally, you will be a fully qualified Panel Beater having the ATA or NVQ level 3 Panel Technician qualification though we will consider someone with years of experience who can demonstrate a high skill set.
- Good understanding of body shop procedures.

If you have any further questions, then please submit your application so we can discuss the opportunity and your CV.

Please note all applications will be strictly confidential and we won't send your CV out without talking with you first.
