Company: Serve Talent

Location: Hales

Category: production

Job TitleControl Panel Wire Person

Salary: £27,000 to £30,000 depending on experience

LocationNorwich (with approximately 50% site-based work throughout the UK)

Job Overview: Serve Talent are collaborating with our client, an expanding company based in Norwich, to fill multiple positions for Control Panel Wire Persons. This is an exciting opportunity to join a growing team with ample prospects for development and career progression.

Key Responsibilities:

Assemble and wire electrical control panels according to engineering specifications and wiring diagrams.

Select, measure, and cut wires to appropriate lengths, stripping insulation for termination.

Route, bundle, and secure wiring neatly within control panels to ensure proper organization and functionality.

Install and connect control devices, such as relays, switches, and circuit breakers, within panels.

Perform quality checks and tests, such as continuity and resistance checks, to ensure

accurate wiring and proper functioning.

Collaborate with engineers and electricians to support panel design improvements and modifications.

Interpret electrical and engineering drawings, specifications, and layouts for panel wiring tasks.

Maintain tools, equipment, and inventory necessary for panel assembly and wiring.

Adhere to safety protocols and industry regulations to ensure a safe working environment.

Document completed panel assemblies and maintain accurate records of work performed.

Qualifications and Skills:

Proven experience as a Panel Wire Person or similar role, preferably in high-voltage systems.

Sound knowledge of electrical controls and components used in power distribution equipment.

Proficiency in reading and interpreting electrical and engineering drawings and schematics.

Familiarity with electrical codes, regulations, and safety procedures.

Experience in wiring control panels and using electrical hand tools.

Detail-oriented mindset with the ability to work with precision and accuracy.

Strong problem-solving skills and ability to troubleshoot wiring issues.

Excellent communication and teamwork skills.

If you are a skilled and experienced wireman, get your CV across to Aimee Baker on aimee@servetalent.co.uk or give me a call on 01603 415 100.
