Company: Independent Resourcing Consultancy

Location: United Kingdom

Category: other-general

### Job Description

We are recruiting for part time Associate Dentist to join our new team at Barlanark Dental Practice in the east of Glasgow. Working two days per week, Monday and Tuesday with the working hours of 9am to ideally.

What is Clyde Munro? Clyde Munro is Scotland's leading dental group, with practices the length and breadth of the country. We're already providing almost half a million patients with first-class dental care. But we need your help to look after even more.

### About Barlanark Dental Practice, Glasgow:

This fully equipped three surgery practice has been open in Glasgow since 2015 and offers NHS, private and cosmetic treatments.

Located close to the city of Glasgow this practice is easily reached by car or public transport. Its proximity to amenities such as eateries, pharmacy, post offices and shops makes this clinic a very convenient location.

### Who are we looking for?

Someone with the ambition to drive the expansion of the practice and provide a high level of clinical care

Experience in General & Private dentistry/ Facial Aesthetics/ Composite bonding

The ability to work well in a team set up

A passion for continuous professional development is essential

Experience with Software of Excellence (SOE) practice software is preferable

GDC registration is essential

### **What can Clyde Munro offer you?**

Dedicated Clinical Support team to help develop your career and grow your income

Scotland's only **dedicated in-house training facility** with phantom heads and lecture rooms for hands-on and theoretical training

Complementary or subsidised training for Associates

The annual Clyde Munro Associate Conference

Digital Dentistry

Excellent green credentials and commitment to reducing our environmental impact

Great clinical freedom and support from a fully trained team

Work-life balance

Software of Excellence

### **Overseas Applicants:**

Clyde Munro welcomes applications from overseas dentists. Visa sponsorship and relocation support is available and will be discussed in detail with successful applicants to support each candidates' specific requirements.
