Company: Axon Moore

Location: Birch

Category: other-general

!

I am currently looking to speak to individuals looking to work as a Credit Controller on a permanent part time basis. I am exclusively working with this company, so to find out more message me directly!

This role will ideally be 25 hours a week which could be spread over 4 or 5 days. The hours can be agreed with yourself to fit around your commitments. Whilst offering a brilliant working environment in a nice new office, there are many more benefits including an annual bonus based on company performance and discount schemes!

This is a really enjoyable environment, and a fantastic team to spend the working week with.

Your role includes:

Day to day management of sales ledger

Review and monitoring of customer credit limits

Collection of cash and resolution of queries with customers

Work alongside other areas of the business as required

Management of customer invoicing portals

Posting of customer receipts

Management of applications for payment

Some other Finance team activities; mainly Excel data entry and reporting

Ad hoc projects as required

Salary: £28,000 – £30,000 pro rata.

Location: North Manchester, Rochdale Area
