Company: Jago Consultants

Location: Wembley

Category: other-general

### Job Description

Our client is a prestige main dealership who are looking to recruit an experienced **Parts Advisor** for their dealership.

Working within a small but busy department, you will be focused on delivering unrivalled levels of customer service, and a modern and efficient parts service. The main priority will be to maintain a high level of service to the back-counter, but you will be involved in all areas of the Parts Dept.

### Parts Advisor Role:

You will be working within a passionate and committed Parts Department who focus on delivering an excellent Parts service.

You will need to be a strong all-rounder and understand all aspects of a parts dept. From goods-in processes, parts identification, order processes, perpetual stock checking, stock rotation, parts returns and liaising with Service over parts related matters, parts verification experience would be beneficial

You will be expected to deal with customers in a professional and personal focus, as expected by the brand

You have a good technical / mechanical understanding to aide your parts identification / up-sell technique

Completing E-VHC parts requests

### As a Parts Advisor:

You will ideally have a minimum of **3-years Parts Advisor experience** , and **MUST** either

currently, or have previously worked within a Main dealership environment

Excellent customer handling skills are essential to this position

Preferably, but not essential, you will have experience with Kerridge / ADP

Excellent communication skills, attention to detail and working as part of a team

**Package:**

**Basic £26,000OTE circa £35,000 +**

**Hours:**

Monday to Friday 8am – 6pm

Saturday 9am – 1pm (one a 1-in-3 rota)
