Company: Adjusting Appointments Limited

Location: United Kingdom

Category: other-general

Job Profile

National loss adjusting operation is seeking a Perils Surveyor to deal with a portfolio of losses such as fire, flood, escape of water, storm damage and impact losses throughout the North West region.

The role will involve dealing with diagnostic surveys, claims consultancy, project managed perils or pre-loss building valuations.

You will work from a home base, but typically attend an office which will be with 2 hours of home address on a regular basis.

This is a great opportunity to join a well established and growing team with excellent prospects.

Applicant Requirements

Candidates must be able to demonstrate previous experience dealing with insurance related losses.

You will ideally be MCIQB or MRICS, but would also consider applicants with relevant experience without Chartership.
