Company: EPSN Workforce Group

Location: United Kingdom

Category: healthcare-practitioners-and-technical

Our client offers world-class care, attracting patients from across the South of England and internationally. Their hospital delivers some of the best cardiac surgery results in the country and their Critical Care department and multidisciplinary team offer peace of mind for our wide range of treatments.

Their hospital provides a wide range of services including day care and inpatient and outpatient services. The main activity is elective (planned) surgery, and more complex procedures such as cardiac and spinal surgery are supported by the onsite critical care facilities.

The hospital works in partnership with local NHS acute hospital trusts, for example in recent provision of robotic surgery, and there is a large refurbished outpatient department along with extensive diagnostic imaging services.
