Job description

Permanent Veterinary Nurse - Washington, County Durham

Are you a qualified and RCVS registered veterinary nurse or soon to be?

Are you looking to join an established small animal practice in County Durham?

Are you looking for...

An excellent work-life balance?

No OOH work?

A generous CPD allowance?

We are recruiting on behalf of a small animal practice in Washington, County Durham for a Permanent Veterinary Nurse to join their team.

The practice is looking for a confident and ambitious RVN who has good experience working in a small animal practice. The role will involve all aspects of nursing and you will be prepared to develop your skills by collaborating with the wider team. You will perform your nursing duties with confidence to provide the gold standard of care to the practice's loyal clients by assisting vets in surgical procedures. You must have excellent attention to detail and organisational skills. Your nursing duties will involve assisting in surgery, nurse consults and inpatient care.

This role is full or part time with 1 in 8 Saturdays. There will be no OOH work or on-call duties.

Duties:

Assisting in the day to day running of the practice

Admissions and discharges

Working alongside the non-clinical and clinical teams to ensure the smooth delivery of patient and client care

Be responsible and take ownership of tasks

Monitoring operations and assisting the vet in surgery

Administering medications and taking records accurately

In-patient care

Nurse clinics

Measuring blood pressure, sampling, and pharmacy work

Key details:

Type: Small animal

Hours: Full or part time

Weekends: 1 in 8 Saturdays

OOH: None

Branch work: N/A

Computer system: RX Works

Consultations: 15 minutes

Team: 6 vets, 7 RVNs, 1 SVN and supportive non-clinical team

About them:

Bright and spacious practice with air conditioning and all modern facilities

Highly experienced team

State of the art facilities

Progressive forward-thinking practice

Supportive and friendly practice

Highly experienced team

CPD is actively encouraged and supported

Offers excellent career development opportunities

Excellent reputation within the community

Passionate about delivering a high standard of clinical care

Provide mental health and wellbeing support

About you:

You will have excellent all-round nursing skills

You will embrace all aspects of the role

You will be ambitious to continue your learning and development

You will have excellent multitasking and prioritisation skills

You will work to deliver a high standard of clinical care

You will have a motivated and passionate attitude

You will be keen to develop an area of special interest

You will be willing to go the extra mile within your duties

You will have strong organisational skills

You will have good administrative skill for stock control

You will have a genuine passion for animal welfare including preventative healthcare

You will have excellent communications skills and be able to develop working relationships with clients and fellow members of staff

Facilities:

The practice offers a huge range of veterinary facilities and services, including:

Emergency cover

Biochemistry
