Permanent Veterinary Surgeon, Lincoln

Type: Small Animal

Location: Lincoln

Practice : You'll get to work in a purpose-built, modern veterinary practice with the most fantastic facilities and a team who are all passionate about providing the very best care to all animals, day and night. Their Lincoln practice is the newest in their group, and it's packed with the latest tech to support their teams in doing what they do best.

Team : Their colleagues have a broad range of specialities and many of their team are working towards certificates to enhance their clinical skills and the services they're able to provide.

Role : This is a fantastic opportunity for a dedicated, customer-focused Veterinary Surgeon to join the team at their state-of-the-art Lincoln surgery. So state-of-the-art in fact, they've just become a finalist in the 2023 Practice Design Awards!

Duties :

They're looking for a passionate, knowledgeable Veterinary Surgeon to become a key member of their surgery's team, delivering excellence in clinical care and customer service.

You'll be responsible for delivering preventive services, treating sick and injured pets, and be able to demonstrate a real passion for promoting pet wellbeing.

You'll be an excellent communicator and a real team player, integrating well with the wider clinical and non-clinical team members.

Hours: This is a full-time permanent position, full details of the rota will be discussed in the interview.

Salary : From **£43,000** p/a (DOE)

Benefits: To attract and retain the best in the business, we offer a great range of benefits, including:

Quarterly recognition payments

Enhanced maternity & paternity pay

Income protection

Electric car scheme

Boost employee benefits and discounts

Help at Hand for health and wellbeing

Funded memberships

Surgery discounts

CPD allowance

25 holidays a year plus bank holidays

Internal leadership training
