£3,000 Golden Hello Available*

*** We value you and the expertise you will bring to Nuffield Health and the Charity, we would love to welcome you with a Golden Hello bonus as part of your employment here with us (subject to T&Cs).**

Nuffield Health is the charity that's building a healthier nation, one day at a time. From award-winning hospitals and leisure facilities to flagship community programmes - we'll do whatever it takes to look after the UK's wellbeing. It starts with passion and commitment to quality. It starts with you.

As the Pharmacy Manager, you'll be responsible for leading and managing the delivery and optimisation of pharmacy services and the delivery of the medicines optimisation strategy across the hospital site. The role will ensure safe, effective, high-quality, cost-efficient care is consistently delivered to our patients, medicines processes are standardised and clinical pathways streamlined. You will be supported by the Regional Medicines Optimisation Lead and the central pharmacy team.

To champion Nuffield Health's purpose and strategic intent to help individuals achieve the level of health and wellbeing they aspire to, through the delivery of exceptional care for patients, customers and partners - care that is patient/client centred, evidence based, brand defining and innovative, delivered by a team of talented, well trained, motivated, thoughtful and compassionate individuals who work together as a strong team.

To succeed as the Pharmacy Manager, we're looking for you to work with your team and key stakeholders to:

- Lead, manage and motivate the pharmacy team
- Plan and co-ordinate the pharmacy department workload, allocating and providing sufficient resources and support, preparing and presenting business cases when required
- Act as Medicines Management Lead and Medical Gas Lead for the hospital site
- Ensure appropriate medicines optimisation through the safe and effective use of medicines throughout the hospital - procurement/supply, clinical, governance, medicines stock management
- Lead the delivery of the medicines optimisation governance framework at site
- Optimise medication usage, improving services and outcomes for beneficiaries, ensuring key stakeholder engagement and collaboration
- Ensure compliance with policies and procedures, legal and regulatory medicines requirements (CQC, MHRA, GPhC etc) and adherence to national guidelines and standards (RPS Hospital Standards)
- Deliver targets and agreed key performance indicators
- Share lessons learnt across the wider pharmacy community in Nuffield Health to ensure our beneficiaries receive safe, effective, good quality care
- Recognise concerns, provide early support to local teams and escalate where appropriate
- Drive or support quality improvement, by providing input into strategic projects and workstreams
- Identify and deliver medicines costs savings and service efficiencies, where possible within the hospital
- Drive standardisation and support the development and implementation of new models of care and services
- Ensure the agreed medicines audit framework is adhered to and any gaps or deficiencies addressed with an appropriate corrective action plan
- Review and monitor medicines and incident reports, leading and contributing to investigations, identifying trends, reporting to the hospital Senior Leadership Team and escalating when necessary

As the Pharmacy Manager, you will be able to demonstrate:

- Registration with the GPhC - either a pharmacist or pharmacy technician
- Proven experience in the provision of clinical pharmacy services
- Previous people management experience
- Post graduate clinical pharmacy qualification or equivalent work experience is desirable
