Company: Mediplacements

Location: United Kingdom

Category: other-general

Mediplacements are currently seeking an experienced Phlebotomist to join our client's team in Winchester.

We have many ad-hoc shifts available throughout the year, so this is a great opportunity for a phlebotomist who is looking for a flexible working arrangement. The pay rate for this role is competitive.

The successful candidate must have a phlebotomy certificate and a minimum of 10 months' experience working as a phlebotomist in the UK.

As a phlebotomist, you will be responsible for collecting blood samples from patients and ensuring that the samples are handled and transported appropriately.

When you work with Mediplacements, you will have access to a range of benefits that will support you in your role. Our dedicated one-to-one service ensures that you have the support you need to thrive in your role. Our fast-track registration process allows you to start your new role as soon as possible. The excellent rates of pay, and assistance with travel and accommodation are designed to make your transition as smooth as possible. We also offer weekly pay that is always on time, and access to exclusive NHS and private sector jobs. There is no registration fee, and you will have access to free online training.

If you're a phlebotomist who is looking to take on a new opportunity, apply now!
