Company: Bright Purple

Location: United Kingdom

Category: computer-and-mathematical

PHP Developer – Scotland Let's advance your career as a PHP Developer! Our highly esteemed client is searching for a proficient individual to join their dynamic team in Scotland.

What is in it for you:

Freedom to innovate from the comfort of your own home in **Scotland**, complemented by occasional visits to a vibrant **Dundee** office.

Offering a competitive salary range of **£40,000 to £50,000**.

Career progression and self development.

This role is a beacon for those who excel in crafting robust code and are passionate about leveraging their solid Object-Oriented PHP skills. As a mid-level developer, you will not only apply your expertise but also broaden your technical horizons by engaging with cutting-edge technologies such as Vue.js, Amazon Web Services (AWS), and Cypress for QA.

The successful candidate will be:

Instrumental in driving forward projects

Contributing to the development of high-quality web applications

Collaborating closely with a team of accomplished professionals.

This position promises a stimulating work environment where your contributions will have a direct impact on the company's success.

Required Skills & Experience:

Demonstrable experience with Object-Oriented PHP development.

A strong understanding of modern PHP frameworks.

Proficiency in writing clean, maintainable, and efficient code.

Familiarity with **Vue.js, AWS, and Cypress QA** .

A proactive approach to problem-solving and an eagerness to learn new technologies.

Excellent communication skills and the ability to work collaboratively in a team.

In return for your dedication and expertise, the company offers a nurturing environment that values innovation and personal growth. You will have the chance to make significant contributions to a range of exciting projects while enjoying the flexibility of remote work.

If this resonates with your professional aspirations and you are eager to harness your PHP development skills in a role that promises both challenge and reward, please submit your application. Join a team where your technical prowess will be celebrated and your career trajectory can soar to new heights. Bright Purple is an equal opportunities employer: we are proud to work with clients who share our values of diversity and inclusion in our industry.
