Are you an individual with a background in piling, agricultural fitting or maintenance looking for an exciting new opportunity to take up a senior management position within a rapidly growing SME?

This company work on a variety of exciting projects such as schools, apartment buildings and the housing sector. Established in 1980 they have built a team of 60 like-minded individuals with a range of backgrounds creating a uniquely diverse and friendly environment. With most of their work based around London and Essex from four depots, they have recently taken on new projects in areas such as Leeds and Bristol.

The role would suit an ambitious individual with a competent background with piling or agricultural equipment. A suitable candidate will be ambitious and looking to inject growth within the company, with their assistance in physical maintenance but also staff management and project organisation.

If you are an individual looking to take a senior role opportunity with personal and professional development encouraged in a niche specialist field then apply today.

The Role:

Conduct maintenance and repairs on machinery based in the warehouse.

Organise the response of mobile fitters to appropriate clients.

Process and write-up necessary health and safety paperwork.

Take incoming orders and process them alongside client requirements.

Background in piling or agricultural plant maintenance or fitting. Job Reference: BBBH13133

Keywords: Plant, Piling, Halstead, Manager, Management, Engineer, Fitter, Heavy, Machinery, Rigs, Compressors, Monday to Friday
