Plater / Fabricator

Location: Sheffield

Salary: Competitive

Shifts: Days regular

Reporting to: Fabrication Team Leader

Generations People are actively seeking to speak to Plater/Fabricators to join an excellent, growing, and reputable engineering company based in Sheffield.

Our client is one of the leading subcontract engineering providers that work across many sectors, working with an array of high-end clients.

As a supportive company, development and progression opportunities are available, to allow you to achieve your best work while gaining new skills within the business.

Plater & Fabricator – Key Duties:

- * Tig and/or MiG welding of mild steel, stainless steel, and aluminium.
- * Building, finishing and assembly of parts in line with engineering drawings.
- * Design and produce basic complex jigs and fixtures for production.
- * Welding parts together using basic complex jigs and fixtures.
- * Ensure all equipment is correctly set up and used safely while ensuring that safety devices are in use.
- * Perform first-piece dimensional inspections as well as all subsequent inspections to high-quality standards.
- * Monitor equipment and request maintenance when required.

* Other associated duties may be required to carry out the responsibilities of this position.

Skill Requirements:

* Must be able to demonstrate capability in the reading and interpreting of engineering drawings.

* Confident plater and fabricator - Ideally apprentice trained, or time served.

* Must be able to demonstrate the ability to operate precision measuring devices such as callipers, micrometres, protractors, and tape measures.

* Good attention to detail

* Must be able to work in a high-tolerance environment.

* Demonstrate good teamwork abilities.

* Demonstrate advanced problem-solving skills.

* Be able to work on your own initiative.

* Must be a highly motivated individual.

Benefits:

* Manufacturing Attendance Allowance

* Workplace Pension Scheme

* Joining Bonus Scheme

* Healthcare Scheme

* Incentivised Corporate Gym Membership

* Death in Service
