

Plumbing And Heating Engineer

[Apply Now](#)

Company: Fox Construction Recruitment

Location: Greenwich

Category: construction-and-extraction

We are looking for a Gas-safe Plumbing and Heating Team to assist our clients with the installation of modular styled housing in the south east London area.

This will preferably be a team of two, who either currently or have previously worked together, one of which must have a minimum of 3 years experience as a Gas Safe Plumber and hold all of the necessary tickets. The other team member can either be a fully qualified plumber or even a plumbers mate, with a minimum of 2 years experience in the role they are in.

Duties will include as a minimum the ability to:- Construct and test SVPS. Connect poly pipe, pipework heating and hot water. Pressure test and connect MVHR ventilation. Must be able to commission and test all.

Our client is offering competitive rates of pay, which will be totally negotiable depending on skill set and experience.

For more information please contact Kate on (phone number removed) (mobile available at all times including evenings and weekends) or Leah on (phone number removed)
