

## PMC Electrical Manager

[Apply Now](#)

Company: Technical Staffing Resources

Location: United Kingdom

Category: other-general

We are looking for a PMC Electrical Manager to work on the ADNOC PMC project. The role is for 6 months+ contracts based in our clients' offices in Middlesex.

The ideal candidate will form part of the ADNOC PMC team for an onshore LNG FEED.

### Job Overview

Requires skills in electrification, HV systems, overhead lines along with design of electrical power systems. Proven experience in LNG plant design with application of very large electric motors of ratings greater than 50MW and associated Variable speed drives.

Previous experience working with ADNOC is preferred

### Qualifications

Chartered engineer status, Bachelor's or Master's in electrical engineering.
