

Power Platform Consultant

[Apply Now](#)

Company: Frank Recruitment Group

Location: United Kingdom

Category: other-general

Nigel Frank are partnered with an organisation that are well known for providing specialist Power Platform Solutions. They are enjoying a successful growth period and they don't plan to slow down. A successful culture has been built in their team which has led to significant development and it is vital that you share the same values. They aren't just looking for a Power Platform specialist, they are looking for a Power Platform enthusiast. Key responsibilities Designing and developing Power Apps, both Canvas and Model Driven. Contributing to the architecture of Office 365 solutions. Providing 3rd line support for Power Platform and Office 365 solutions. End-to-end Power Platform project delivery. Working as part of an Agile project team. Skills required Proven experience in a Power Platform position. Proven experience in developing Model Driven apps, as well as Canvas apps. Proven customer-facing experience, ideally as a consultant. Proven experience implementing SharePoint solutions. Strong Experience delivering solutions Power Platform that use Dataverse. This is a fully remote position, offering a base salary of up to £55,000. To apply for this role, please send an up to date CV to L.mcgrath@nigelfrank.com.
