Description

The Faculty of Health, Medicine and Society is a thriving, multi-campus Organisation offering a full and diverse portfolio of pre- and post-qualifying studies for health and social care professionals. The Faculty is committed to the enhancement of our learners through an integrated approach to educational provision, practice development and research. All staff promote the ethos of life-long learning and personal development for students within a learner-centred approach, using a range of innovative learning and assessment methods. Applicants will be considered for appointment to our Practice Visiting Lecturer panel who can provide in-direct supervision (long-arm) and assessment in practice for Pre-Registration Nurses.

We are also seeking Practice Visiting Lecturers who can teach clinic skills for our mobile outreach clinic for skills and assessment.

Applicants will be registered with Nursing and Midwifery Council (any field) who have experience of being a Practice Assessor.
