

Press Brake Operatives

[Apply Now](#)

Company: Kelly Services (UK) Ltd

Location: Peterlee

Category: other-general

Job: Press Brake Operators

Salary: £14ph - £15ph DOE

Shifts: Monday to Friday (dayshift)

Duration: Temporary to Permanent

We are currently seeking experienced Press Brake Operators to join our team. As a Press Brake Operator, you will be responsible for setting up and operating press brake machines to bend, form, and shape metal sheets according to blueprints and specifications. This role requires precision, attention to detail, and the ability to work effectively in a fast-paced manufacturing environment.

Key Responsibilities:

Set up and operate press brake machines to bend, form, and shape metal sheets.

Interpret blueprints, drawings, and job specifications to determine appropriate bending sequences and dimensions.

Perform routine maintenance on press brake machines to ensure optimal performance.

Inspect finished products to ensure they meet quality standards and specifications.

Collaborate with team members to meet production targets and deadlines.

Adhere to safety guidelines and procedures to maintain a safe working

environment.
Requirements:

Proven experience as a Press Brake Operator in a metal fabrication or manufacturing environment.

Proficiency in setting up and operating press brake machines.

Ability to read engineer drawings, and job specifications.

Strong attention to detail and precision. Kelly Services are acting as an Employment Business in relation to this role. Should you choose to apply, your information will be processed in accordance with Kelly's . For information regarding data protection at Kelly, please visit the Kelly website and have a look into the Privacy Statement.

As an Equal Opportunities employer we welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation or age.
