Brake Press Operator

£30,000 - £35,000 + Day Shift + 33 Day Holiday + Pension Contribution + Company Bonus

Bedford - Commutable from Northampton, Milton Keynes, Wyboston and Surrounding Areas

Are you a Press Brake Operator looking for a new days-based position that offers a fantastic work / life balance? Do you want to work in a clean environment with brand new machinery?

On offer is a position as a Press Brake Operator working a days-based shift in a modern and clean workshop.

The company are a manufacturer for smart TV equipment in houses and boats. They have a growing order book and have just purchased new machinery to meet the growing demand for their products. They are now looking for an additional operator to join their team of skilled workers in their days-based shift to fulfil their orders.

In this role, you will operate Trumpf Press Brake machinery to manufacture sheet metal

products. You will be responsible for loading programmes and setting the machine limits to produce accurate metal sheets. It is a days-based shift with optional overtime if you want to take on additional work.

This role would suit a Press Brake Operator looking for a new position that offers an unrivalled work / life balance.

The Role:

Operate Trumpf Brake Press machinery to produce parts for smart tv equipment.

Select, load, and set programmes on the machinery.

Day-based shift, 07:00 - 4:00 Monday - Friday

The Person:

Previous experience working on a Press Brake Machine.

Happy to work a day shift, Monday - Friday.
