### Preventative Maintenance Engineer

Volvo Construction Equipment

Midlands

38.5 hours pw: Mon to Wed 8 am to 4.30 pm, Thurs 8 am to 4 pm, Fri 8 am to 3.30 pm

Our Preventative Maintenance Engineers keep our customers' Volvo construction equipment running smoothly and efficiently by carrying out essential planned maintenance and servicing.

A field-based role you'll be working on large mobile plant such as wheeled loaders, articulated haulers, hydraulic excavators, and utility and road equipment, carrying out anything from a 500-hour service on an excavator to a routine check-up on a small digger.

#### Requirements

Ideally, you'll hold a minimum of NVQ L2 or equivalent in Plant Maintenance, Land Based Engineering, or similar heavy machinery. Knowledge of Volvo construction machinery is not required as full product training is provided however you will need to have heavy vehicle service, maintenance or repair experience.

You'll be a problem solver; capable of working independently with strong customer service and communication skills.

The right to work in the UK without the requirement for sponsorship and a full UK driving licence is essential. Company van provided.

#### Benefits

You'll receive a full induction and product training and the opportunity to take up further

qualifications or other ongoing training. In addition:

- \* 33 days annual leave including Bank Holidays
- \* Pension - business will match employee contributions up to 5%
- \* 8 weeks full sick pay from day 1
- \* Company bonuses
- \* Life Assurance 4 x annual salary
- \* Company vehicle - for business use only + fuel card
- \* Medical and dental family health plan (includes children up to 18 years old)
- \* Uniform, full PPE
- \* Cycle to Work Scheme
- \* Yulife – Wellbeing App offering discounts and vouchers
- \* Financial/Physical/Mental Health Counselling and Coaching sessions
- \* Free Will writing service
