

Principal Architect

[Apply Now](#)

Company: Oliver Bernard

Location: United Kingdom

Category: other-general

Principal Architect - FinTech/Banking We are looking for a Principal Architect / Lead Architect to join a company who are endeavouring to change the way the world banks. Are you often frustrated by the amount of red-tape and how bankers & compliance teams view regulation as a blocker? Are you motivated by making meaningful and positive impacts through the work you carry out each day? Are you passionate about making a real fundamental change how banks operate in the UK and want to positively improve the state of the worlds banking services?....then this is definitely the role for you!

Benefits: Discretionary Bonus Scheme
26 Days Holiday + Christmas/New Year shut down (not taken out your allowance)
Remote work / Flexible Working Hybrid or Fully Remote - your choice
Option to work anywhere in the world for 3 months per year
Private Medical Insurance/Life Assurance
Private Dental Insurance
Pension Scheme - 5% matched Contributions
L&D Budgets, Professional Certifications/Memberships
Enhanced Paternity/Maternity Leave

As a Principal Architect, we are looking for someone who is prepared to speak to stakeholders of all levels, take ownership of products & projects, be involved in High-Level Systems Architecture decisions as well as the gritty, low-level designs. We need someone who sees the bigger picture, how decisions impact the whole of the systems architecture.

Principal Architect Experience: A doer, someone who understands trade-offs in order to get things done
You possess experience in building high-performance/highly scalable, and resilient systems
Experience of event driven architectures, microservices, modern technologies etc
Proven experience of taking ownership of projects
Someone not afraid to push back, confident when discussing technical decisions
Development Background is very desirable

(they use Java/Kafka/Kotlin/React/Microservices etc)Passionate about positively impacting the banking sectorsFinancial Services at operational levels / Banking exposure / FinTech exposureYou might have the title of Principal Architect / Principal Engineer / Staff Engineer / Lead Architect / Technical Architect / Solutions Architect / VP of Engineering / CTO / Chief Technology Officer.Please apply today for full disclosure of the client, benefits package, website info, interview process and pay package etc.Principal Architect - FinTech/Banking
