Principal/Associate – Detailed Drainage design

Hybrid

£50,000 -£65,000

Are you passionate about environmental stewardship and have a knack for detailed drainage design? Look no further! Earthwise Environmental Consultancy is seeking a dynamic and experienced Principal/Associate Environmental Consultant to join our team.

About Us:

Earthwise is a forward-thinking environmental consultancy committed to sustainable practices and innovative solutions. Our projects span across urban planning, infrastructure development, and environmental impact assessments. We pride ourselves on fostering a collaborative and inclusive work environment.

Role Overview:

As a Principal/Associate Environmental Consultant, you will play a pivotal role in shaping

our projects. Your expertise in detailed drainage design will be instrumental in ensuring environmentally responsible solutions. Whether you come from a consultancy or engineering background, we welcome your unique perspective.

Key Responsibilities:

- * Detailed Drainage Design: Develop and implement drainage strategies for various projects, considering factors such as flood risk, water quality, and sustainability.
- * Project Leadership: Lead multidisciplinary teams, collaborating with engineers, ecologists, and planners to deliver high-quality outcomes.
- * Client Engagement: Cultivate strong client relationships, understanding their needs and tailoring solutions accordingly.
- * Software Proficiency: Familiarity with MicroDrainage or similar software tools is highly advantageous.

Qualifications and Experience:

- * Degree in Environmental Engineering, Civil Engineering, or related field.
- * Minimum 8 years of relevant experience, with a focus on drainage design.
- * Chartered status (e.g., CEng, CEnv, or equivalent) preferred.
- * Strong project management skills and ability to meet deadlines.
- * Excellent communication and teamwork abilities.

What We Offer:

- * Hybrid Work Arrangement: Enjoy the flexibility of working both remotely and from our York

office.

* Competitive Salary: Commensurate with experience and qualifications.

* Professional Development: Access to training and certifications.

* Positive Work Culture: Collaborate with passionate professionals who care about the environment
